Experience

2024/10 - NOW

✅ **Training at PostGoo in Web Development**
At PostGoo, I customized Ghost CMS templates and projects, tailoring designs and features to meet client needs while optimizing functionality and user experience.

2024/06 - 2024/07

✅ **Training at Cap Alliance Morocco in Web Development**
My role involved working with a team to develop websites that align with the clients' needs and preferences.

2024/04 - 2024/06

✅ **Project Personnel Management**
- The Personnel Management Project was initiated under the direction of Mr. Mechrafi, General Director of the school. In this project, I led the development and implementation of the "Mission Orders" module.
- This module was designed to effectively manage the tasks assigned to each employee.

2022/06 - 2023/07

✅ **Training at Manifest AI in dropshipping**
I collaborated with a team to identify successful products, build an online store, and initiate product marketing

Education

✅ **2023 - 2024** **Solidarity Digital Center – Solicode – Tangier**
Bootcamp Mode - Web and Mobile Development

✅ **2022 - 2023** **Solidarity Digital Center – Solicode – Tangier**
Bootcamp Mode - Web Development

✅ **2022 - 2023** **Solidarity Digital Center – Simplonline – Tangier**
Bootcamp Mode - Web Development

✅ **2021 - 2022** **Lycee Mhdi Al Mnjra – Tangier**
High School Diploma: Physical Sciences

Volunteering Contributions

it-wave Event Organizer

Solicode Center & Ntic Center | May 13 – May 17

- Collaborated with trainees from Solicode Center and Ntic Center to organize the it-wave event over five consecutive days.
- Contributed to a six-month planning process for the event, which involved extensive coordination and partnership efforts.
